

“There is nothing new about the idea of ‘classic fusion’ other than a philosophical consideration. The world we live in and all its diverse music genres represent the music of our times. If these elements can be unified into a classical music vision, then we have honoured and portrayed the times we live in.”

(John Thrower)

How to use JohnThrowerMusic.com

This website can be used to:

- 1) View the works of the composer. All works listed are published with the exception of those marked TO BE PUBLISHED.
- 2) To attain information on the works. Go to DESCRIPTION. PDFs can be downloaded. They generally contain a small number of printed pages of the designated work.
- 3) To listen to some MP3 or DVD excerpts. Not all works are recorded and MP3s will be added.
- 4) To order and buy or rent listed works.

HOW TO ORDER WORKS:

1) After viewing the catalogue and choosing a work to order, simply press BUY NOW. You will be taken to the page where you must fill out your name and particulars (Email address, etc.)

2) Please read the conditions of sale.

3) Upon completion of order-form, and agreement of conditions, send the E-mail.

4) You will receive a pay-order per Email from us with the final amount (price of order + postage.)

5) The payment is made through PAYPAL. As soon as we have received confirmation of payment, we ship the music to you.

6) Shipping: We always calculate the least expensive method of shipping, since to some countries, it can be expensive. If you desire immediate shipping, please indicate this and we will process your demands.

7) According to the business agreement, should an order not get to you, we will send it again. We are happy to announce that this has happened only once in all our orders which have been world-wide.

8) Any comments, criticisms or special orders such as orchestral rentals should be announced first through Email: (shop@JohnThrowerMusic.com). This is because for larger orchestral works, the postage can be quite expensive. Some also wish to have it sent per FED-EX or other private delivery services, depending on your country and the destination.

9) Should you wish for any reason to contact the composer, please contact our office at: shop@JohnThrowerMusic.com.

10) We work with several music houses. If you are a music distributor and wish to receive music at a reduced price please get in touch with us and we will be happy to let you know our conditions.

11) Thankyou.
